

# SkyScaff Solutions

FROM GROUND TO SKY

## CAPABILITY STATEMENT

SkyScaff Solutions, a proud  
Australian-owned company,  
is dedicated to supporting the  
construction industry and lives by its  
motto, 'Your partner in Scaffolding'.

We recognize the significance of a solid  
foundation, both figuratively and literally.

With over 20 years of experience in the  
scaffolding industry, we have been  
providing our clients with  
exceptional scaffolding solutions  
customized to meet the  
specific requirements  
of each project.

# COMPANY PROFILE

## Who we are

Founded on the principles of excellence and innovation, SkyScaff Solutions brings together a team of seasoned professionals with years of collective experience in the scaffolding & construction industry. Our expertise spans across a wide range of sectors, including commercial, industrial, residential, allowing us to deliver specialized solutions for every project.

## Our Approach

Safety is paramount in everything we do. We adhere to strict industry regulations and best practices to ensure the well-being of our clients, our team members, and the communities we serve. From meticulous planning to thorough execution, we prioritize safety at every stage of our operations.

We don't just build scaffolds; we engineer solutions that elevate your projects to new heights.

Let us Build Together.

# OUR VALUES

**Safety:**

Safety is predominant in our mission. Our aim is zero harm for our team members, clients, and the wider community. We prioritize safety on a personal level and emphasize its importance through exemplary leadership.

**People:**

Our people form the core of all our endeavours. They distinguish us by ensuring that we fulfill our commitments to our clients. Our success is a direct result of our highly skilled individuals.

**Respect:**

Respect serves as the adhesive in our relationships. We consistently uphold integrity in all interactions and honour everyone along with their ideas.

**Teamwork:**

Successful collaboration with both our team members and clients is essential. We acknowledge the importance of aligning ourselves as a unified team, ready to support one another whenever necessary.

**Commitment:**

Our dedication fuels our pursuit of excellence. We uphold our commitments to both our team members, stakeholders and clients, ensuring we deliver on our promises.

## SAFETY & WHS

Unconditional priority guides our work and permeates every project we undertake. We reinforce this commitment with the strictest policies and procedures, integral to our organizational culture.

Our day-to-day operations are characterized by the provision of professional and ethical services to our clients. These principles are encapsulated in our values and supported by our robust processes, systems, training programs, and leadership initiatives.

Our team places high importance on communication and transparency, fostering collaboration both internally and with our stakeholders.

### Quality management:

We implement formalized strategies, systems, and procedures to ensure excellence. We prioritize training and experience to deliver work of the highest calibre. Our staff members boast a diverse range of qualifications and expertise across various disciplines including:

- Health and safety
- Risk management
- Working to Australian standards
- Scaffolding & High-risk work licensing
- Project management
- Engineering
- Innovative Designs & Planning
